Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Wednesday 13 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy with rain at times, heavy in morning.

Today:
A cloudy day with outbreaks of rain, heavy at times especially across Antrim in the morning, but becoming lighter in the south and west. Becoming much milder, with west or southwesterly winds. Maximum temperature 11 deg C (52 deg F).

Tonight:
Cloudy with further rain at times this evening then becoming drier overnight with some clear spells. Mostly light northwesterly breeze setting in. Minimum temperature 5 deg C (41 deg F).

Thursday:
A mostly dry and bright day with some good sunny spells across the province. The chance of a few showers near the north coast. Mostly light winds. Maximum temperature 8 deg C (46 deg F).

Outlook for Friday to Sunday:
Bright start on Friday then cloud and rain arriving in afternoon. Rain overnight and early Saturday then sunshine and showers for the rest of the weekend.
